

RAPIDS RAPTORS

YOUTH FOOTBALL & CHEERLEADING

Newsletter 1 - 2018

Hello Raptors,

*Now, that we've been practicing hard for more than 2 weeks,
how are you doing?*

*Still enjoying it? I know, it can be tough, especially when it's hot out,
or rainy or if you don't feel 100% or if your friends are out
doing something else. But that's football. You play in all weather and
in all conditions ... because YOUR TEAM depends on you!*

Speaking of friends:

*Make sure you talk about Raptors and let them know how much
you enjoy learning this game as a Raptor!*

Make them want to be a Raptor too! Just like our Packer #45!

...

*I've seen a lot more people have started following our facebook page. That
is awesome! Thank you!*
