

# RAPIDS RAPTORS

## YOUTH FOOTBALL & CHEERLEADING

### Newsletter II - 2018

*Hello Raptors,*

*We hope you're enjoying the season!*

*It's a bummer when practice gets cancelled because of yucky weather but it's done for your safety. We want you to be and stay healthy;*

*lightning has its obvious risks but rain and soaked fields pose other risks for injuries.*

*We'd like to avoid injuries as much as we can - without spoiling you, I mean it's tackle football after all!*

*So, use your off-time to review your play books, cheerleaders practice your routines and dance, and catch up on homework and tasks at home (like cleaning your room, washing your gear, ...)*

...

*If you ordered prints on PhotoDay and have not received your order, Heike will have them at practice on Thursday 9-27. Please, see her at her son's team, the team closest to the skate park. Or contact her to pick up your order at her studio. Her # is on the contact page on the Raptors' website.*
