

RAPIDS RAPTORS

YOUTH FOOTBALL & CHEERLEADING

Newsletter III - 2018

Raptors -
Players, Cheerleaders, (Grand) Parents, Coaches,

Thank you all for another season of great youth football & cheer! I very much hope that you all enjoyed your practices and games, the times with your team mates, and that you really learned to play and love this sport! I also hope, that you were able to deepen some friendships and make new ones. From experience I know that these friendships can last a long time - my son's best friend, of course a former Raptor too - now plays at DC Everest.

That gets interesting at the Rapids vs DC games!

So, keep being active! I hear, wrestling goes great with football! And for you 6th graders - WRAMS now offers a Boys' swim team. That's one of the best ways to build all-around muscle!

Parents,
do you think you can help make the Raptors organization
a better organization?

*Do you have input, skills, talent, and availability
to become a board member?*

*Board meetings are scheduled one evening a month from January - July
to plan the upcoming season.*

*Please, consider volunteering your time for our Raptors in this way.
Feel free to ask any of our current board members if you have
any questions.*
